

Drainage and Wastewater Management Portal – Disclaimer

1. By accessing this portal you are deemed to have accepted this disclaimer in full.
2. Although reasonable care has been taken to ensure the accuracy, completeness and electronic integrity of this portal and its content, Thames Water accepts no liability for loss of any kind incurred as a result of reliance on the information within the portal and no warranty is given by Thames Water, express or implied, in connection with or arising out of the content of the portal including without limitation fitness for purpose or satisfactory quality.
3. Although Thames Water aims to update this portal regularly, any material on the portal may be out of date at any given time, and Thames Water is under no obligation to update such material.
4. The information provided by or in connection with this portal is provided strictly for general interest purposes and should not be used or relied on without undertaking prior independent verification.
5. Thames Water reserves the right to make changes to this portal and this disclaimer at any time. All such changes or supplements shall be effective immediately upon posting.
6. While Thames Water endeavours to ensure that this portal is normally available 24 hours a day uninterrupted and error free, Thames Water will not be liable if for any reason the portal is unavailable for any time or for any period.
7. Thames Water accepts no responsibility for the content on any website to which a hyperlink from this portal exists. All links are provided with no warranty, express or implied, for the information provided within them. For the avoidance of doubt after you leave this portal (whether knowingly or not) Thames Water can no longer be responsible in any way for any material that you encounter and excludes to the fullest extent permitted by law all liability that may arise with respect to or as a result of such material causing any damage, costs, injury or financial loss of any kind.
8. Should this portal and its content contain any personal data, this shall be held by Thames Water as data controller for the lawful purpose of legal obligation, and by accessing this portal and any such personal data you acknowledge you are accessing this as an independent data controller having satisfied yourself of your own lawful purpose to access such personal data and acknowledge you are responsible for complying with the data protection laws in respect of any such personal data and have the appropriate technical and organisational measures to ensure such compliance. Thames Water takes no responsibility and/or liability for your use of data.
9. Copyright in the content of this portal (together with the portal design, text and graphics and the arrangement of them) is owned by or licensed to Thames Water. All rights are reserved. Unless stated to the contrary, material in this portal is copyright to Thames Water. The content of this portal may not be copied or otherwise incorporated into or stored in any website, electronic retrieval system, publication or other work in any form without the prior written consent of Thames Water or in accordance with the Copyright, Designs and Patents Act 1988 as amended.
10. The Thames Water roundel logo is a registered trademark of Thames Water Utilities Ltd. You may not use this mark without our express written permission.
11. This portal and its use is governed by and construed in accordance with the law of England and Wales. All disputes arising shall be submitted to the exclusive jurisdiction of the English and Welsh courts.
