Location on map  
shown with  
———→x

Not to scale

This diagram shows the installer how to lay the pipework for your new water connection, and the size and type of pipe required.

Watch our installation video to see [how to pass your regulations inspection](#).

If you have any questions, please call us on 0800 009 3921 between 8am and 5pm, Monday to Friday.

Note: The position of the apparatus shown on this plan is believed to be correct at time of issuing this drawing. Thames Water accepts no responsibility in the event of any inaccuracy. The actual position of our apparatus, including existing service pipes which are not displayed on this plan must be established on site.

The proposed point of entry for the new service connections maybe subject to deviation due to unforeseen obstructions. Any variation from the designed position of the new water service connections may incur additional charges.
