Re: Twelfth ICA Consent Request in respect of the IBLA Amendment and Restatement.

On each of 17 March 2025, 28 April 2025, 30 June 2025, 5 September 2025, 10 November 2025, 19 December 2025, 2 March 2026, 9 April 2026 and 5 June 2026, the Super Senior Issuer delivered to the Super Senior Security Trustee a consent request in respect of the relevant Previous IBLA Basic Consent Request (each a "**Previous ICA Consent Request**" and together the "**Previous ICA Consent Requests**"). On each of 1 April 2025, 15 May 2025, 15 July 2025, 22 September 2025, 24 November 2025, 8 January 2026, 17 March 2026, 24 April 2026 and 22 June 2026 pursuant to a notice of the decision of the requisite majorities of Super Senior Issuer Secured Creditors in each case in respect of, *inter alia*, the relevant Previous ICA Consent Request, the Super Senior Security Trustee delivered to the Super Senior Issuer a consent and direction letter, directing and authorising the Super Senior Issuer to, *inter alia*, enter into a waiver and amendment letter or a consent letter in respect of the waiver and amendments or consents set out in, and subject to the conditions in, the relevant IBLA Basic Consent Request.

This is a further consent request (the "**Twelfth ICA Consent Request**") for the purposes of the super senior issuer intercreditor agreement originally dated 25 February 2025 and as most recently amended and restated on 17 March 2026 and made between, *inter alios*, the Parent, the Super Senior Issuer and the Super Senior Security Trustee (each as defined therein) (the "**Super Senior Issuer Intercreditor Agreement**"). Capitalised terms used but not defined in this Twelfth ICA Consent Request have the meanings ascribed to them in the Twelfth IBLA Basic Consent Request (a copy of which is included at Appendix 1 hereto (the "**Twelfth IBLA Basic Consent Request**")), the Super Senior Issuer Intercreditor Agreement or the master definitions agreement (the "**MDA**") originally dated 30 August 2007 (as amended and restated from time to time, including most recently on 25 February 2025).

1 Background

- 1.1 We refer to the super senior class A issuer borrower loan agreement dated 25 February 2025 (as amended and/or amended and restated from time to time, including as most recently amended and restated on 22 June 2026) and made between the Parent (as Borrower), the Super Senior Issuer (as Super Senior Issuer) and the Super Senior Security Trustee (the "**Super Senior IBLA**").
- 1.2 The Parent has, on or about the date of this Twelfth ICA Consent Request, delivered to the Super Senior Issuer the Twelfth IBLA Basic Consent Request relating to certain amendments

to the Super Senior IBLA on the terms set out therein (the "**IBLA Amendment and Restatement**").

- 1.3 Pursuant to Clause 4.4 (*Basic Consents: General*) of the Super Senior Issuer Intercreditor Agreement, the Super Senior Issuer is not permitted to agree to any Basic Consent Request (including the Twelfth IBLA Basic Consent Request) in respect of the Super Senior IBLA without obtaining the prior written consent of the Super Senior Security Trustee, acting on the instructions of the requisite proportion of Super Senior Issuer Secured Creditors.
- 1.4 Resultantly, please find below a consent request to the Super Senior Security Trustee to permit the Super Senior Issuer to consent to the Twelfth IBLA Basic Consent Request.

2 **Reasons for the Twelfth IBLA Basic Consent Request**

- 2.1 As at the date of this Twelfth ICA Consent Request, it is the Parent's view that it is acting in good faith towards achieving a Recapitalisation Transaction. However, as set out in paragraph 1.1 (*Extended June Release Condition*) of the Twelfth IBLA Basic Consent Request, the Parent has not yet satisfied the Extended June Release Condition. In order that Super Senior Issuer Funding can continue to be provided to the TWU Financing Group prior to the expiry of its liquidity runway and to continue to facilitate the availability of the Super Senior Issuer Funding until the successful completion of a Recapitalisation Transaction, the Parent is seeking the Super Senior Issuer's and the Super Senior Security Trustee's consent to the Extension and Consent.
- 2.2 Further, as set out in paragraph 2 (*Reasons for the Twelfth IBLA Basic Consent Request*) of the Twelfth IBLA Basic Consent Request, the Parent is seeking consent to the amendment and restatement of the Super Senior IBLA pursuant to the Amendment and Restatement Agreement.
- 2.3 The Super Senior Issuer hereby requests that the Super Senior Security Trustee (acting on the instructions of the Majority SSIS Creditors) authorises and instructs the Super Senior Issuer to agree to and execute the Twelfth IBLA Basic Consent Request.

3 **Requested Consent; Detail of the Twelfth ICA Consent Request**

- 3.1 This paragraph 3 sets out in full the requested consent (the "**Consent**").
- 3.2 As explained in paragraph 2.1 (*Reasons for the Twelfth IBLA Basic Consent Request*) above, the Super Senior Issuer requests, subject to the remaining provisions of this paragraph 3 below, that the Super Senior Security Trustee (acting on the instructions of the Majority SSIS Creditors) authorises and instructs the Super Senior Issuer to agree to the Twelfth IBLA Basic Consent Request.
- 3.3 If approved pursuant to this Twelfth ICA Consent Request, the Consent shall have effect on and from the date on which the consent and direction letter (the form of which is attached at Appendix 2 hereto) (the "**Consent and Direction Letter**") is executed (the "**Effective Time**").
- 3.4 A certificate from the Super Senior Issuer (signed by two directors of the Super Senior Issuer without personal liability) delivered to the Super Senior Security Trustee (on behalf of the applicable Super Senior Issuer Secured Creditors) that the Effective Time has occurred shall, in the absence of manifest error, be conclusive evidence as to the matters contained therein (an "**Effective Time Certificate**"). The Super Senior Issuer shall deliver the Effective

Time Certificate to the Super Senior Security Trustee promptly upon the Effective Time occurring.

- 3.5** The Super Senior Issuer acknowledges and agrees that the Super Senior Security Trustee may rely upon the statements, certifications, confirmations, consents and acknowledgements by the Super Senior Issuer contained in any Effective Time Certificate and that the Super Senior Security Trustee shall not be required to make any investigation in respect thereof. The Super Senior Issuer further acknowledges and agrees that the Super Senior Security Trustee shall have the benefit of the Super Senior Issuer's indemnity under Clause 18.1 (*Indemnity to the Super Senior Security Trustee*) of the Super Senior Issuer Intercreditor Agreement.

4 Certifications by the Super Senior Issuer

- 4.1** Pursuant to and in accordance with Clause 4.7 (*Basic Consent Requests*) of the Super Senior Issuer Intercreditor Agreement, the Super Senior Issuer hereby certifies to the Super Senior Security Trustee that in its opinion, only the consent of the Majority SSIS Creditors (such consent to be received by no later than 5:00 p.m. (London time) on 13 July 2026 (the "**Twelfth ICA Consent Request Voting Date**", and the date on which the requisite consent threshold has been reached being the "**Twelfth ICA Consent Request Consent Date**")) is required to give consent to the Twelfth ICA Consent Request in accordance with the terms of the Consent and Direction Letter.

- 4.2** The Super Senior Issuer notes that pursuant to Clause 23.5 (*Excluded Super Senior Issuer Secured Credit Participation*) of the Super Senior Issuer Intercreditor Agreement, if in relation to the Twelfth ICA Consent Request a Super Senior Issuer Secured Creditor:

4.2.1 that is a Super Senior Issuer Lender, fails to respond to this Twelfth ICA Consent Request in respect of its funded Super Senior Issuer Loans by 5:00 p.m. (London time) on the Twelfth ICA Consent Request Voting Date, such date being ten (10) Business Days following the date of this Twelfth ICA Consent Request;

4.2.2 that is a Super Senior Issuer Bondholder, fails to respond to this Twelfth ICA Consent Request in respect of its Super Senior Issuer Bonds then held by 4:00 p.m. (London time) on 12 July 2026 in accordance with the procedure set out in the Super Senior Issuer Bond Trust Deed; or

4.2.3 fails to provide details of its Super Senior Issuer Secured Credit Participation to the Super Senior Security Trustee by 5:00 p.m. (London time) on the Twelfth ICA Consent Request Voting Date in accordance with the process set out in the ancillary documentation accompanying this Twelfth ICA Consent Request,

that Super Senior Issuer Secured Creditor (save where the Twelfth ICA Consent Request Voting Date has been deferred) will be deemed to consent to the Twelfth ICA Consent Request.

5 Implementation of the Twelfth ICA Consent Request

Subject to the terms of the Super Senior Issuer Intercreditor Agreement, the Super Senior Security Trustee shall notify each Super Senior Issuer Secured Creditor of the decision of the Majority SSIS Creditors promptly following the Twelfth ICA Consent Request Consent Date and, provided that the Majority SSIS Creditors have consented to the Twelfth ICA Consent Request, the Consent will be effective pursuant to and in accordance with the

Consent and Direction Letter on and from the Effective Time, and such Consent will bind the Super Senior Issuer Secured Creditors.

Re: Twelfth IBLA Basic Consent Request

This is a Basic Consent Request in respect of the Super Senior IBLA (as defined below) (the "**Twelfth IBLA Basic Consent Request**").

Capitalised terms used but not defined in this Twelfth IBLA Basic Consent Request have the meanings ascribed to them in (a) the super senior issuer intercreditor agreement originally dated 25 February 2025 and as most recently amended and restated on 17 March 2026 and made between, *inter alios*, the Parent, the Company and the Super Senior Security Trustee (each as defined therein) (the "**Super Senior Issuer Intercreditor Agreement**") or (b) the master definitions agreement originally dated 30 August 2007 and as most recently amended and restated on 25 February 2025 (the "**MDA**").

On each of 17 March 2025, 28 April 2025, 30 June 2025, 5 September 2025, 10 November 2025, 19 December 2025, 2 March 2026, 9 April 2026 and 5 June 2026, the Company delivered to the Super Senior Issuer and the Super Senior Security Trustee a Basic Consent Request in respect of the Super Senior IBLA (each a "**Previous IBLA Basic Consent Request**" and together, the "**Previous IBLA Basic Consent Requests**") pursuant to which the Company requested certain waivers, amendments and extensions in relation to the Super Senior IBLA. On each of 1 April 2025, 15 May 2025, 15 July 2025, 22 September 2025, 24 November 2025, 8 January 2026, 17 March 2026, 24 April 2026 and 22 June 2026 pursuant to a notice of the decision of the requisite majorities of Super Senior Issuer Secured Creditors in each case in respect of, *inter alia*, the relevant Previous IBLA Basic Consent Request, the Super Senior Security Trustee and the Super Senior Issuer delivered to the Company a waiver and amendment letter, or consent letter, confirming their joint consent to the waivers, amendments, and extensions set out in, and subject to the conditions in, each Previous IBLA Basic Consent Request (together, the "**Previous IBLA Waivers and Consents**").

For the purposes of this Twelfth IBLA Basic Consent Request and all documents related to this Twelfth IBLA Basic Consent Request, it is acknowledged and agreed that all approvals, certifications, notifications and other communications (in whatever form) made to the Company by

the Super Senior Issuer, are made by the Super Senior Issuer acting with the consent of the Super Senior Security Trustee, who is in turn acting on the instructions of the Majority SSIS Creditors. All references to the Super Senior Issuer agreeing, consenting, certifying or waiving any matters whatsoever are acknowledged and agreed to be references to the Super Senior Issuer doing so acting with the consent of the Super Senior Security Trustee, with the Majority SSIS Creditors instructing the Super Senior Security Trustee to do so.

1 Background

We refer to the super senior class A issuer borrower loan agreement originally dated 25 February 2025 (as amended and/or amended and restated from time to time, including as most recently amended and restated on 22 June 2026) made between the Company (as Borrower), the Super Senior Issuer (as Super Senior Issuer) and the Super Senior Security Trustee (the "**Super Senior IBLA**").

1.1 Extended June Release Condition

- 1.1.1 Pursuant to Clause 4.2.1 (*Further Conditions Precedent*) of the Super Senior IBLA, it is a condition precedent to the utilisation of any Loans (as defined therein) to be made after 30 June 2026 that, among other things, a lock-up agreement in respect of a restructuring plan to implement a Recapitalisation Transaction has been entered into by (i) holders of at least 66 2/3 per cent. of the Super Senior Issuer Funding; and (ii) Class A Debt Providers holding at least 66 2/3 per cent. of the aggregate Class A Debt (not including any Super Senior Debt) (the "**Supported LUA**"), provided that such Supported LUA has not been terminated and remains fully effective in accordance with its terms (unless such Recapitalisation Transaction has been implemented pursuant to the Supported LUA) (such condition being the "**Extended June Release Condition**").
- 1.1.2 Pursuant to paragraph (viii) of the definition of "*Funding Conditions*" in Clause 1.1 (*Definitions*) of the Super Senior IBLA, where the Company is (at the relevant time) acting in good faith towards a Recapitalisation Transaction, any extension of the Extended June Release Condition can be effected with the consent of the Super Senior Issuer and the Super Senior Security Trustee in accordance with the relevant terms of the Super Senior Issuer Intercreditor Agreement.
- 1.1.3 Whilst the Company considers that it is acting in good faith to advance the ongoing equity raise process and related Recapitalisation Transaction, the Extended June Release Condition has not yet been satisfied. In order that Super Senior IBLA Funding can continue to be provided to the TWU Financing Group prior to the expiry of its liquidity runway and to continue to facilitate the availability of the Super Senior IBLA Funding until the successful completion of a Recapitalisation Transaction, the Company is seeking the Super Senior Issuer's and the Super Senior Security Trustee's consent to extend the date for the satisfaction of the Extended June Release Condition, as it relates to paragraph (viii) of the definition of "*Funding Conditions*" in Clause 1.1 (*Definitions*) of the Super Senior IBLA in respect of the Additional Loan (as defined in the Super Senior IBLA) which the Company intends to draw on or around 14 July 2026, to 31 July 2026 (the "**Extension**").

2 Reasons for the Twelfth IBLA Basic Consent Request

2.1 Amendment and Restatement Agreement

Please find below a request to the Super Senior Issuer and the Super Senior Security Trustee, under the Super Senior IBLA, to (i) consent to the Extension; and (ii) consent to the amendment and restatement of the Super Senior IBLA pursuant to the amendment and restatement agreement substantially in the form set out in Appendix 2 hereto (the "**Amendment and Restatement Agreement**" with such amendments set out therein being the "**Amendments**").

3 Requested Consent; Detail of the Twelfth IBLA Basic Consent Request

3.1 This paragraph 3 sets out in full the requested consent for the Extension and the Amendment and Restatement Agreement.

3.2 As explained in paragraph 2 (*Reasons for the Twelfth IBLA Basic Consent Request*) above, the Company requests, subject to the remaining provisions of this paragraph 3 below that the Super Senior Issuer and the Super Senior Security Trustee consent to the Extension and Amendments.

3.3 If approved pursuant to this Twelfth IBLA Basic Consent Request, the Extension and Amendments shall each have effect on and from the date on which a consent letter in the form attached at Appendix 1 hereto (the "**Consent Letter**") and the Amendment and Restatement Agreement are each executed and become effective in accordance with their respective terms (the "**Effective Time**").

3.4 A certificate from the Company (signed by two directors of the Company without personal liability) delivered to the Super Senior Issuer and the Super Senior Security Trustee (on behalf of the Super Senior Issuer Secured Creditors) that the Effective Time has occurred shall, in the absence of manifest error, be conclusive evidence as to the matters contained therein (an "**Effective Time Certificate**"). The Company shall deliver the Effective Time Certificate to the Super Senior Issuer and the Super Senior Security Trustee promptly upon the Effective Time occurring.

3.5 The Company acknowledges and agrees that the Super Senior Issuer and the Super Senior Security Trustee may rely upon the statements, certifications, confirmations, consents and acknowledgements by the Company contained in any Effective Time Certificate and that the Super Senior Issuer and the Super Senior Security Trustee shall not be required to make any investigation in respect thereof.

3.6 Pursuant to Clause 4.4 (*Basic Consents: General*) of the Super Senior Issuer Intercreditor Agreement, the Super Senior Issuer is not permitted to agree to any Basic Consent Request (including, but not limited to, this Twelfth IBLA Basic Consent Request) in respect of the Super Senior IBLA without obtaining the prior written consent of the Super Senior Security Trustee, acting on the instructions of the requisite proportion of Super Senior Issuer Secured Creditors (being, in this case, the Majority SSIS Creditors) as specified in Clause 4.7 (*Basic Consent Requests*) of the Super Senior Issuer Intercreditor Agreement.

4 Implementation of the Twelfth IBLA Basic Consent Request

The Super Senior Issuer and the Super Senior Security Trustee shall each notify the Company of the decision in respect of this Twelfth IBLA Basic Consent Request promptly

following the earlier of the Twelfth ICA Consent Request Consent Date and the Twelfth ICA Consent Request Voting Date (both as defined in the ICA Consent Request launched separately on or about the date hereof) and, provided that the Super Senior Issuer and the Super Senior Security Trustee consent to this Twelfth IBLA Basic Consent Request, the Extension and Amendments will be effective pursuant to and in accordance with the Consent Letter and the Amendment and Restatement Agreement on and from the Effective Time, and such Twelfth IBLA Basic Consent Request will bind the Super Senior Security Trustee, the Super Senior Issuer and the Company, pursuant to Clause 13.4 (*Amendments*) of the Super Senior IBLA.

allowed for such payment under applicable law and shall deliver to the Super Senior Issuer, within thirty days after it has made such payment to the applicable authority, an original receipt (or a certified copy thereof) issued by such authority evidencing the payment to such authority of all amounts so required to be deducted or withheld in respect of such payment.

7.2 Tax Credit Payment:

If an additional payment is made under Clause 7.1 (*Tax Gross-up*) by the Borrower for the benefit of the Super Senior Issuer and the Super Senior Issuer, in its sole discretion, determines that it has obtained (and has derived full use and benefit from) a credit against, a relief or remission for, or repayment of, any Tax, then, if and to the extent that the Super Senior Issuer, in its sole opinion, determines that such credit, relief, remission or repayment is in respect of or calculated with reference to the additional payment made pursuant to Clause 7.1 (*Tax Gross-up*) or the circumstances giving rise to such additional payment, the Super Senior Issuer shall, to the extent that it can do so without prejudice to the retention of the amount of such credit, relief, remission or repayment, pay to the Borrower such amount as the Super Senior Issuer shall, in its sole opinion, determine to be the amount which will leave the Super Senior Issuer (after such payment) in no worse an after-Tax position than it would have been in had the additional payment in question not been required to be made by the Borrower.

7.3 Tax Credit Clawback: If the Super Senior Issuer makes any payment to the Borrower pursuant to Clause 7.2 (*Tax Credit Payment*) and it subsequently transpires that the credit, relief, remission or repayment in respect of which such payment was made was not available or has been withdrawn or that it was unable to use such credit, relief, remission or repayment in full, the Borrower shall reimburse the Super Senior Issuer such amount as the Super Senior Issuer determines, in good faith, is necessary to place it in the same after-Tax position as it would have been in if such credit, relief, remission or repayment had been obtained and fully used and retained by the Super Senior Issuer.

7.4 VAT:

7.4.1 All amounts expressed to be payable under this Agreement by the Borrower to the Super Senior Issuer which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to Clause 7.4.2 (*VAT*), if VAT is or becomes chargeable on any supply made by the Super Senior Issuer to the Borrower under this Agreement and the Super Senior Issuer is required to account to the relevant tax authority for the VAT, the Borrower must pay to the Super Senior Issuer (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and the Super Senior Issuer must promptly provide an appropriate VAT invoice to the Borrower).

7.4.2 Where any Party is required by the terms of this Agreement to reimburse or indemnify any other Party for any cost or expense, such first Party shall reimburse or indemnify such other Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such other Party (or the representative member of any VAT group of which it forms part) reasonably determines that it is entitled to credit or repayment in respect of such VAT from HM Revenue & Customs.

7.5 Stamp Taxes: The Borrower shall pay all stamp duty, stamp duty reserve tax, stamp duty land tax, registration and other similar Taxes to which this Agreement or any judgment given in connection with it is or at any time may be subject.

7.6 Tax and Other Affairs

No provision of this Agreement shall interfere with the right of the Super Senior Issuer to arrange its tax or any other affairs in whatever manner it thinks fit, oblige the Super Senior Issuer to claim any credit, relief, remission or repayment in respect of any payment under Clause 7.1 (*Tax Gross-up*) in priority to any other credit, relief, remission or repayment available to it nor oblige the Super Senior Issuer to disclose any information relating to its tax or other affairs or any computations in respect thereof.

7.7 Tax representation

7.7.1 The Super Senior Issuer represents and covenants to the Borrower that it is and will continue to be for as long as any Loan remains outstanding beneficially entitled to all interest payments under this Agreement.

7.7.2 The Borrower represents and covenants to the Super Senior Security Trustee that it has reasonable grounds for believing that Super Senior Issuer is beneficially entitled to all interest payments under this Agreement and with respect to such interest is within the charge to UK corporation tax and will hold this belief provided there is no substitution of Super Senior Issuer and no breach of the representations and covenants made by Super Senior Issuer either in this Agreement or the CTA and provided that HMRC have not issued a direction under section 931 ITA in respect of Super Senior Issuer.

8 Covenants and Representations

8.1 So long as any Loan is outstanding, the Borrower shall:

8.1.1 comply with the covenants under Schedule 4 (*Covenants*) of the CTA;

8.1.2 save as permitted by paragraphs 14 and 17 of Schedule 7 (*Hedging Policy*) of the CTA, not incur any indebtedness, or enter into any agreement in respect of additional indebtedness, which ranks *pari passu* with or senior to the Loans, other than:

(i) the Super Senior Guarantee provided in respect of the obligations of the Super Senior Issuer in relation to the Underlying Super Senior Finance Documents; or

(ii) any Loan which is advanced to the Borrower by the Super Senior Issuer under and in accordance with this Agreement (including, for the avoidance of doubt, any Additional Loan),

and, for the purposes of this Clause, “incurance of any indebtedness” or “entry into any new agreement” includes any amendments to or replacement of any existing indebtedness (including indebtedness represented by swap agreements) or agreements in respect thereto which has the effect of increasing (or potentially increasing) in any manner whatsoever the liabilities owing under or in respect of such indebtedness;

8.1.3 not (and shall procure that no other Obligor will) repay, prepay, redeem or purchase any Loans or Super Senior Issuer Funding out of the proceeds of any indebtedness

which ranks above the Class A Debt in the Payment Priorities unless: (a) all Loans or all Super Senior Issuer Funding is refinanced, repaid, prepaid, redeemed or purchased in full; or (b) in prepayment of the Loans where required to do so pursuant to Clause 5.3;

8.1.4 apply the proceeds of any prepayment in accordance with Clause 5.5 (*Prepayment Proceeds*); and

8.1.5 comply at all times with the Governance Requirements.

8.2 The Borrower makes the representations and warranties set out in Schedule 2 (*General Representations*) and Schedule 3 (*TWUL Representations*) to the CTA to the Super Senior Security Trustee at the times specified in, and in accordance with, the CTA (in each case by reference to the facts and circumstances then existing).

9 Swap Breakage Payments

9.1 The Borrower shall, within three (3) Business Days of demand, indemnify the Super Senior Issuer, on an after-Tax basis, against any Super Senior Swap Breakage Loss Amount payable by the Super Senior Issuer in accordance with clause 6.2 of the Super Senior Issuer Intercreditor Agreement in connection with the prepayment, redemption or acceleration of any Swapped Super Senior Issuer Funding.

9.2 The Super Senior Issuer shall pay to the Borrower (by way of set-off against amounts owing to the Super Senior Issuer) any Super Senior Swap Breakage Gain Amount that is deemed to have been received by the Super Senior Issuer under clause 6.1 of the Super Senior Issuer Intercreditor Agreement following the prepayment, redemption or acceleration of any Swapped Super Senior Issuer Funding.

10 Acceleration

10.1 Subject to the provisions of the CTA, the STID and the Super Senior Issuer Intercreditor Agreement, on and at any time after the occurrence of an Event of Default which is continuing, the Super Senior Issuer may, and shall if so directed by the Super Senior Security Trustee, by notice to the Borrower:

10.1.1 declare that all or part of the Loans and all other amounts accrued or outstanding thereunder (together with any amounts payable in accordance with this Agreement) be immediately due and payable, at which time they shall become immediately due and payable at the relevant Early Prepayment Amount; and/or

10.1.2 declare that all or part of the Loans, together with accrued interest thereon be payable on demand, at which time they shall immediately become payable on demand by the Super Senior Issuer or the Super Senior Security Trustee at the Early Prepayment Amount.

10.2 Subject to the terms of the STID, all Loans shall become immediately due and payable at the Early Prepayment Amount in the circumstances described in clause 11.8 (*Automatic Acceleration of Secured Liabilities*) of the STID.

11 Indemnity

The Borrower shall, within three (3) Business Days of demand, indemnify the Super Senior Issuer against any fees, costs, expenses, losses or liabilities (including, without limitation,

for negligence or any other category of liability whatsoever) incurred or owing by it under or in connection with the Underlying Super Senior Finance Documents, including any fees, costs or expenses of the Super Senior Issuer Bond Administrative Parties, the Super Senior Issuer Facility Agent and the Super Senior Security Trustee that are required to be paid or reimbursed by the Super Senior Issuer.

12 Payment Mechanics

12.1 Payments to the Super Senior Issuer: On each date on which this Agreement requires an amount to be paid by the Borrower to the Super Senior Issuer, the Borrower shall make the same available to the Super Senior Issuer by payment in pounds sterling and in same day funds on the due date and by the relevant time to the Super Senior Issuer Account (or such other account as approved by the Super Senior Security Trustee in accordance with the Underlying Super Senior Finance Documents from time to time).

12.2 Payments to the Borrower: On each date on which this Agreement requires an amount to be paid by the Super Senior Issuer to the Borrower, the Super Senior Issuer shall make the same available to the Borrower by payment in pounds sterling and in same day funds on the due date and by the relevant time to such account or bank as the Borrower may have specified for this purpose from time to time.

12.3 Alternative Payment Arrangements: If, at any time, it becomes impracticable (by reason of any action of any governmental authority or any change in law or any similar event) for the Borrower to make any payments in the manner specified in Clause 12.1 (*Payments to the Super Senior Issuer*) above, or for the Super Senior Issuer to make any payments in the manner specified in Clause 12.2 (*Payments to the Borrower*), then the Borrower and the Super Senior Issuer (with the prior written approval of the Super Senior Security Trustee) may agree alternative arrangements for such payments to be made, provided that, in the absence of any such agreement, the Borrower shall be obliged to make all payments due to the Super Senior Issuer in the manner specified herein or, as the case may be, the Super Senior Issuer shall be obliged to make all payments due to the Borrower in the manner specified herein.

12.4 No Set-off by the Borrower: Subject to the provisions of the CTA and the STID, all payments to be made by the Borrower under this Agreement shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

13 Further Provisions

13.1 Partial Invalidity: If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

13.2 Remedies and Waivers: No failure to exercise, nor any delay in exercising, on the part of the Super Senior Issuer of any right or remedy under this Agreement shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Agreement are cumulative and not exclusive of any rights or remedies provided by law.

- 13.3 Contracts (Rights of Third Parties) Act 1999:** A person who is not a Party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.
- 13.4 Amendments:** Subject to the terms of each of the Super Senior Issuer Intercreditor Agreement, CTA and STID, this Agreement may be amended with the mutual consent of each of the Parties hereto.
- 13.5 Further Assurance:** The Parties agree that they will co-operate fully to do all such further acts and things and execute any further documents as may be reasonably necessary or desirable to give full effect to the arrangements contemplated by this Agreement.
- 13.6 Notices by the Super Senior Security Trustee:**
- 13.6.1** Solely upon release of the Super Senior Issuer Security in accordance with the terms of the Super Senior Issuer Intercreditor Agreement, the Super Senior Security Trustee undertakes to send a Control Event Notice (as defined in the Super Senior Issuer Account Control Agreement) to the Super Senior Issuer Account Bank in accordance with the terms of the Super Senior Issuer Account Control Agreement.
- 13.6.2** Solely upon the occurrence of an Event of Default, or the taking of any Enforcement Action in respect of the Super Senior Issuer Security in accordance with the terms of the Super Senior Issuer Intercreditor Agreement, the Super Senior Security Trustee undertakes to send a Notice of Exclusive Control (as defined in the Super Senior Issuer Account Control Agreement) to the Super Senior Issuer Account Bank in accordance with the terms of the Super Senior Issuer Account Control Agreement.

14 Communications

- 14.1** Subject to Clause 14.2 below, all communications hereunder shall be sent in accordance with clause 17 (Notices) of the CTA.

15 Assignment and Transfer

The Borrower and the Super Senior Issuer shall not be entitled to assign or transfer all or any of their rights, benefits and obligations hereunder other than to the extent assigned by the Super Senior Issuer by way of security pursuant to the Super Senior Issuer Security Agreement and by the Borrower pursuant to the Finance Documents.

16 Governing Law and Jurisdiction

- 16.1 Governing Law:** This Agreement and any non-contractual obligations arising out of it or in connection with it are governed by English law.
- 16.2 Jurisdiction:** The courts of England shall have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Agreement and accordingly any legal action or proceedings arising out of or in connection with this Agreement ("**Proceedings**") may be brought in such courts. The Borrower irrevocably submits to the jurisdiction of such courts

and waives any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum.

This Agreement has been entered into on the date stated at the beginning.
