Query

When reviewing your report Supporting Document E, we have identified a reference to Supporting Document F, Procurement and Operational Strategy. However, we have been unable to find this within your submission.

Please can you provide us with this in order to complete our full assessment?

Solution owner response

As stated in the Main Gate 3 Report Table 0.2 (Appendix A) Supporting Document F: Procurement and Operational Strategy is not re-submitted as part of the Gate 3 submission. Information can be found in the Stage 2 submission to Ofwat.

This approach was agreed in the RAPID Quarterly Checkpoint meeting in November 2024.

The 2x references in Supporting Document E: Planning and Land Strategy should have referred to the Stage 2 submission, rather than Supporting Document F.
